Narrative

On March 02, 2018 at 1528 hours I (Ofc. Ames) was dispatched to contact a [REDACTED] by phone in reference to an assault. [REDACTED] advise dispatch that she was assaulted on February 27, 2018 at 1050 hours while working at Cascade Behavioral Center located at 12844 Military Rd S in Tukwila WA.

I contacted [REDACTED] at ([REDACTED]) [REDACTED]. [REDACTED] stated that she is a Social Worker at Cascade Behavioral and on February 27, 2018 she was assaulted by a patient known as [REDACTED]. [REDACTED] said that [REDACTED] punched her on the left side of her face then the right side of her face. [REDACTED] said she this caused her to feel fuzzy, and groggy. Her face was tingling. She said that she did not have any visible injury or bruising from the assault. [REDACTED] said she went to a doctor and they conducted a CT scan. She said the CT Scan showed she has a concussion. [REDACTED] returned to work today and decided to call 911 to report the assault. She wants to press charges.

[REDACTED] said that [REDACTED] is a patient there she is a diagnosed schizophrenic and she was mad because her family won't take her in because of anger issues. [REDACTED] was admitted to Cascade Behavioral Center on December 25, 2017 and she won't be released until she is placed into housing. [REDACTED] became angry about this and assaulted [REDACTED].

Case forwarded to the City Prosecutor for review.

(I attempted to look up [REDACTED] and [REDACTED] through WACIC and WA DOL and I received clear no record on both. [REDACTED] had criminal history hit with a WA SID #. A check through King County Ingress showed she had been booked before but there no photograph or identification available. I attempted to issue a criminal citation on Sector but was not able to due to no identification for [REDACTED].)
